### DETAILED ACTION

1. Applicant's arguments filed 06/17/05 have been fully considered but they are not persuasive. The rejection follows.
- 2.

#### ***Claim Rejections - 35 USC § 102***

3. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
4. Claims 1-3, 5, 6, 8 and 12 rejected under 35 U.S.C. 102(e) as being anticipated by Braunlich et al.

The Applicant is referred to the description of Braunlich et al. in the first Office action.

The Applicant has argued that Braunlich et al. fails to show a plurality of "cost payment cards" or "location cards" having a symbol thereon indicating that each card belongs to one of a plurality of category groups. The Examiner maintains his position that Braunlich's cost payment cards 300 have a symbol 304. This symbol represents a location or category. Braunlich's cost payment cards each represent different locations, col. 8, lines 38-49. Thus, each of Braunlich's cost payment cards belong to one of a plurality of category groups (locations).

The Applicant has also argued that Braunlich fails to disclose a plurality of "battle cards" or "character cards" having one or more symbols thereon indicating cost required to place the battle card on a play field. The Examiner maintains his position that each of

Braunlich's battle cards 100 has a symbol 114 thereon indicating the cost required to place the battle card on the play field, col. 7, line 66 to col. 8, line 2.

### ***Conclusion***

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
